AGRICULTURE & COOPERATION (MKTG.II) DEPARTMENT

G.O.RT.No.298

Dated: 30-04-2015

Read the following:-

From Commissioner of Horticulture, ,AP,Hyd. Lr.No.MIDH/PHM/
770/2015,dt.10.2.2015..

@@@

ORDER:-

In the reference read above, the Commissioner of Horticulture , AP.,Hyd., has reported that, the Horticulture is one of the priority sector of Government of AP, constituting more Gross State Domestic Product. The major horticulture crops that are being grown in AP are Mango, Banana, Sweet Orange and Lime, Chillies, Onion, Tomato and other vegetable crops. As the horticulture produce is perishable in nature, the produce will spoil due to lack of adequate storage facilities like, Pack houses, integrated pack houses, cold storages, pre cooling units and onion storage structure etc, similarly in case of Mango and Banana, due to lack of adequate no. of ripening chambers, farmers are going for carbide for ripening process, which is health hazardous. The refrigerated vans are also useful to transport of perishable vegetables etc. to distant places from the farmers fields. These units are much useful to reduce the post harvest losses and also to increase the value addition.

2. The Commissioner of Horticulture,, AP. Hyderabad, has reported that, the individual farmers can't afford to invest huge amounts on infrastructure facilities like ripening chambers, pack houses and integrated pack houses, cold storages, pre cooling units etc., hence it is desirable to establish these units in the market yards, as a common infrastructure for availing by the most of the small farmers & marginal farmers as these units are much useful to reduce the post harvest losses and also to increase the value addition.

3. The Commissioner of Horticulture, AP.,Hyd., has requested the Government to issue administrative sanction of the works for an amount of Rs.18.65 crores for providing common infrastructure facilities ie., ripening chambers, pack houses, and integrated pack houses, cold storages pre cooling units etc., in the market yards/Rythu Bazars for the use of Horticulture farmers .

4. The Government have considered the proposal of the Commissioner of Horticulture,, A.P,Hyd. and hereby accord administrative sanction of the works and to incur an expenditure of Rs.18.65 Crores in the BE 2014-15 for providing common infrastructure facilities i.e. ripening chambers, pack houses, and integrated pack house, cold storages pre cooling units etc in the market yards/Rythu Bazars for the use of farmers The list of works are appended to this order at annexure.

Contd...2

:: 2 ::

5.. The Commissioner & Director of Agricultural Marketing, ,AP.,Hyd., shall take further necessary action accordingly.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)
